

Soft Pulls

BENEFITS OF PREQUALIFYING CUSTOMERS IN YOUR DIGITAL RETAILING PLATFORM

Soft pulls provide a quick and inexpensive way to prequalify a consumer for a vehicle without placing a hard inquiry on their credit file. They do not require a SSN or DOB, and they provide dealers with a live FICO[®] Score and full credit file so accurate quotes can be made earlier in the sales cycle.

Thousands of dealers use soft pulls in their digital retailing platform today because:

- **Accuracy in the monthly payment quotes** provided to the consumer by your digital retailing platform sets the proper expectations which is critical to completing the sale and removing friction in the finance office.
- **700Credit will align your finance offices bureau and FICO Score preference** with the bureau and FICO Score utilized by your digital retailing platform.
- **Soft pulls can help dealerships save money on credit pulls.** Soft pulls give you the same visibility into your shopper's credit history for a fraction of the cost.
- **Dealers receive a full credit file and FICO Score** without placing a hard inquiry on the consumer's credit file.
- **Consumers that are prequalified early in the sales process are PROVEN to generate higher lead conversion rate than those that were not.**
